- **Size of above permits are examples only.** Actual permit size may be smaller and **does not** require a border. A permit cannot be less than ½” high or ½” wide and **must** be readable by the human eye.
- Any mail pieces or envelopes returned to the client showing Dasher Inc.’s #917 Permit **CANNOT** be distributed or mailed without covering the **entire** pre-printed permit (use a white pressure sensitive label, etc.)
- Ancillary Service Endorsements may not be used on a mail piece that contains Dasher Inc.’s Permit #917 without making previous arrangements with Dasher Inc.
